

Customer Service Skill Set

State ID: AE134

About this course

Learn how to provide excellent customer service!

Retail, finance, pharmacy, hospitality, business, tourism... what industry doesn't have customers! Good customer service and communication skills are highly valued by employers in many different industries and areas of work, and this skill set will get you job ready with exactly the skills you need.

The *Customer Service* skill set includes following infection prevention and control policies and procedures, implementing standard and transmission-based precautions and responding to infection risks in the workplace within a customer service context to ensure you're working safely. You'll also learn to communicate effectively and provide quality service to both internal and external customers, and how to deal effectively with people from a range of social and cultural groups with respect and sensitivity. You'll also gain negotiation, conflict management and problem solving skills.

If you meet the **fee free eligibility criteria** for this course, please enrol in the **Customer Service (Fee Free)**.

This is a targeted skill set related to the [Skills Ready](#) program, which is aimed at rebuilding our local businesses and communities with free and reduced-price training.
