

Operating a Small Business Skill Set (Fee Free)

State ID: AE150

About this course

Learn how to operate a small business!

If you're currently operating or thinking about starting up a small business, or would like to get job ready for an administrative support position in a small business operation, this is the skill set for you!

The *Operating a Small Business* skill set offers a fantastic range of skills and knowledge to get you job ready. You'll learn how to design and produce business documents and publications, digitally design and develop text-based documents, develop spreadsheets through the use of both cloud-based and non-cloud based applications, identify financial requirements of a business including profit targets, cash flow projections and strategies to garner financial support, and understand workplace health and safety (WHS) legislation and its application to safe work practices. It even covers how to create and build a social networking presence using social media tools and applications.

This skill set is free for everyone under the [Skills Ready initiative!](#)
