

BSB41515 Certificate IV in Project Management Practice

National ID: BSB41515 | State ID: AVR2

About this course

Manage small and large scale projects.

The Certificate IV in Project Management Practice provides participants with the skills and knowledge to manage all aspects of a project's integrative processes in a wide variety of contexts.

Participants will provide solutions to a defined range of unpredictable problems, and analyse and evaluate information from a variety of sources.

Students will learn to apply project scope management techniques, such as:

- Time management
- Cost management
- Quality management
- Human resources
- Communications
- Risk management
- Contract and procurement procedures

This course is available at other campus locations upon request.
