

BSB30715 Certificate III in Work Health and Safety

National ID: BSB30715 | State ID: AVV3

About this course

Ensure the health and safety of your colleagues in the workplace.

The Certificate III in Work Health and Safety allows participants to take on a health and safety role within their workplace.

Participants will learn how to:

- Apply work health and safety legislation in the workplace
- Participate in hazard identification, risk assessment and control
- Identify, prevent and report potential workplace emergency situations
- Effectively communicate and consult with people regarding work health and safety issues

This qualification is suitable for people whose main job is not dedicated to work health and safety, but for those who take it on as a voluntary duty.

This course is available at other campus locations upon request.
