

BSB50415 Diploma of Business Administration

National ID: BSB50415 | State ID: AVV5

About this course

Gain the organisational skills to thrive in an active marketplace.

The Diploma of Business Administration is suitable for individuals who aspire to business administration management roles or are already in a management role and would their experience recognised and/or improved.

This qualification provides students with the practical skills and knowledge to manage office administration staff. Participants will develop a sound theoretical knowledge base and use a range of specialised, technical or managerial competencies to plan, carry out and evaluate their own, and the work of their team.

Students will learn how to manage general administration processes such as payroll, administration systems and projects. Participants will also learn how to manage meetings and conferences. Participants can choose from a range of elective units, which cover planning and managing meetings and conferences, business documentation, customer service, projects, information and people performance.

This course is available at other campus locations upon request.
