

ICT10115 Certificate I in Information, Digital Media and Technology

National ID: ICT10115 | State ID: AVY6

About this course

There is a demand in today's modern world for employees skilled in the field of digital media and information technology!

The Certificate I in Information, Digital Media and Technology provides participants with the basic foundation skills and knowledge required for entry into the IT industry. Participants will learn how to perform digital literacy tasks using a personal computer and use a range of basic software applications and digital devices.

Students will gain skills in operating a personal computer, word processing applications and internet search.
