

TLI21815 Certificate II in Logistics

National ID: TLI21815 | State ID: AWU3

About this course

Logistics is essential to the developing resources sector in North Western Australia.

Logistics is all about assisting in the accurate planning and flow of materials and equipment to increase productivity in the sector. The Certificate II in Logistics provides participants with practical hands-on experience in the workplace.

Participants will gain skills in:

- Industry relevant communication
- Understanding workplace processes and procedures
- Teamwork
- Forward-thinking and problem solving

Upon successful completion, participants will have the knowledge and skills required to work in the logistics industry, as well as a nationally recognised qualification. Recognition of Prior Learning is available for suitable candidates.

This course is available at other campus locations upon request.
