

# HLT54115 Diploma of Nursing

National ID: HLT54115 | State ID: AYZ3

## About this course

### Provide the right care to those in need.

The Diploma of Nursing provides participants with the practical skills and knowledge to work as an enrolled nurse. Upon successful completion, participants will have the skills to assist in the provision of preventative, curative and rehabilitative nursing, and will be able to seek enrolled nursing registration with the Nursing and Midwifery Board of Australia.

### Participants will learn about:

- Anatomy and physiology
- Infection control
- Nursing care of clients
- Legal and ethical parameters of nursing practice
- Health issues of Indigenous Australians
- Nutritional and mental health care
- Promoting positive health.

**Please note:** Participants will need to complete a mandatory 440 hours of clinical placement, and attendance at two one-week blocks at Pundulmurra campus in South Hedland each semester. Clinical placements are required to be undertaken in Hedland/Karratha and in Perth, as part of the course.

## Continue your studies into university through our joint articulation program!

Students who successfully complete NR TAFE's Diploma of Nursing are offered a direct pathway into CQUniversity Australia's Bachelor of Nursing, receiving full credit for their enrolled nursing training. Speak to us about progressing into university studies via the articulation program.

## Overview

### Available all year, 2019

---

### Qualification details

-  Duration: **18 Months**
-  Where: **Pundulmurra (South Hedland) Campus**
-  When: **Available all year**
-  How: **Face-to-face block delivery**  
**Face-to-face classroom/campus delivery**  
**Full-time**  
**Mixed mode**  
**On the job/on location**  
**Online learning - flexible/self-paced**

## Units

---

This is a suggested study plan. North Regional TAFE offers a variety of alternative units, and packaging rules apply to

these selections. Your unit options will be discussed with you prior to enrolment.

## Core

National ID	Unit Title
CHCDIV001	Work with diverse people
CHCDIV002	Promote Aboriginal and/or Torres Strait Islander cultural safety
CHCPRP003	Reflect on and improve own professional practice
HLTAAP002	Confirm physical health status
HLTAAP003	Analyse and respond to client health information
HLTENN001	Practise nursing within the Australian health care system
HLTENN002	Apply communication skills in nursing practice
HLTENN003	Perform clinical assessment and contribute to planning nursing care
HLTENN004	Implement, monitor and evaluate nursing care plans
HLTENN005	Contribute to nursing care of a person with complex needs
HLTENN006	Apply principles of wound management in the clinical environment
HLTENN007	Administer and monitor medicines and intravenous therapy
HLTENN008	Apply legal and ethical parameters to nursing practice
HLTENN009	Implement and monitor care for a person with mental health conditions
HLTENN011	Implement and monitor care for a person with acute health problems
HLTENN012	Implement and monitor care for a person with chronic health problems
HLTENN013	Implement and monitor care of the older person
HLTENN015	Apply nursing practice in the primary health care setting
HLTINF001	Comply with infection prevention and control policies and procedures

National ID	Unit Title
HLTWHS002	Follow safe work practices for direct client care

## Elective

National ID	Unit Title
BSBWOR404	Develop work priorities
CHCPOL003	Research and apply evidence to practice
HLTAID003	Provide first aid
HLTENN025	Implement and monitor care for a person with diabetes
HLTWHS006	Manage personal stressors in the work environment

## Entrance requirements

To gain entry into the Diploma of Nursing, there are two distinct requirements that need to be met.

### 1. Language, Literacy and Numeracy (LLN) entry requirements

Applicants must be able to demonstrate that they meet the minimum LLN entry requirements, demonstrating achievement of an Australian Core Skills Framework Exit Level 3 (that being a Certificate IV or above) as a minimum. This can be demonstrated via various means, including:

#### The LLN test

The Core Skills Profile for Adults (CSPA) is an interactive online tool designed to identify and measure an individual's foundation skills level. Participants who undertake this assessment must have an exit level three (that being a Certificate IV) against the Australian Core Skills Framework in both reading and numeracy.

#### School leaver

School leaver School leavers must show evidence of completion of their Western Australian Certificate of Education (WACE) General or ATAR, with a minimum C grade or equivalent in both English and Mathematics.

#### Non-school leaver

All non-school leaver applicants must complete the CSPA. This test will be administered by NR TAFE on application to the program. This is an online interactive test that can be taken on campus or at home on your own device. The log in

for this test will be sent to applicants during the application process.

## 2. Nursing and Midwifery Board of Australia (NMBA) English language competency

Applicants must also provide evidence that they have met the minimum English Language Competency set out by the NMBA prior to commencing in the Diploma of Nursing.

### **What do I need to do?**

You need to have met one of the following criteria:

- At admission to the program the applicant has English as their primary language and can demonstrate they have attended and satisfactory completed at least six years of primary and secondary education (at least two years must be between years 7 to 12) taught and assessed in English in one of the recognised English speaking countries that meet the NMBA requirements, These countries are: New Zealand, the United States of America, the United Kingdom, Canada (excluding French Canadian territories), Republic of Ireland and South Africa.

### **OR**

- At the time of applying to study in the Diploma of Nursing the applicant must be able to provide evidence that they have evidence of three and a half (3.5) years (full time equivalent) of education taught and assessed in English in one of the recognised countries. This would then satisfy the NMBA registration requirements which states that: "At time when applying for NMBA registration as an EN Graduate, the graduate must be able to demonstrate that they can provide evidence of five (5) years (fulltime equivalent) of education taught and assessed in English in one of the recognised countries". The completion of the full time equivalent education must be a combination of the following taught in a recognised country.

### **OR**

- Demonstrated minimum scores in one of the following English Language Tests, IELTS, OET, PTE Academic, TOEFL iBT. The scores must be from one sitting. For students who have test results from multiple sittings, please refer to NMBA Registration Standard: English Language Skills (July 2015)

As well as meeting the entry requirements, students must also be able to obtain the below mentioned to be eligible to commence in the Diploma of Nursing. If you cannot obtain the following, you will be ineligible to attend clinical placements, therefore ineligible to commence in the Diploma of Nursing program.

- Criminal clearance valid within 12 months of this application
- Pre-entry medical exam (documents will be provided upon successful entry into the program)
