

RII10115 Certificate I in Resources and Infrastructure Operations

National ID: RII10115 | State ID: AZC0

About this course

Want an insight into the resources and infrastructure industries?

The Certificate I in Resources and Infrastructure Operations is an entry-level qualification, allowing participants to develop basic functional skills and knowledge to prepare for work in the resources and infrastructure industries.

Participants will learn how to plan and organise work in the industry, develop skills in workplace communication, gain an understanding of workplace health and safety requirements, and learn how to carry out basic on-the-job tasks.

This course provides a pathway into further study.

This course is available at other campus locations upon request.

Overview

Available all year, 2019

Broome Campus - Qualification details

There are no specific job outcomes, however, this course will prepare participants for further study within the industry.

Fees and charges

North Regional TAFE's **indicative fees for 2019** are available [here](#). These fees are indicative for local students enrolling full-time in Government-funded courses. Fees are calculated based on individual circumstances at the time of enrolment. Concessions for eligible certificate I - IV level courses, annual fee caps and other charges may apply.

For more information, please click [here](#).

VET Student Loans

VET Student Loans is an income contingent loan support available to eligible students studying a diploma level or above qualification. For more information, please click [here](#).

International student fees

Fees, charges, available locations, applications, and enrolment procedures for international students are different to those applicable to local students. Please visit the [TAFE International WA website](#) to confirm available courses and fees. Tuition fees are paid through TIWA.

Please note, fees are subject to change.
