

RII10115 Certificate I in Resources and Infrastructure Operations

National ID: RII10115 | State ID: AZC0

About this course

Want an insight into the resources and infrastructure industries?

The Certificate I in Resources and Infrastructure Operations is an entry-level qualification, allowing participants to develop basic functional skills and knowledge to prepare for work in the resources and infrastructure industries.

Participants will learn how to plan and organise work in the industry, develop skills in workplace communication, gain an understanding of workplace health and safety requirements, and learn how to carry out basic on-the-job tasks.

This course provides a pathway into further study.

This course is available at other campus locations upon request.

Overview

Available all year, 2020
