

# RII20115 Certificate II in Resources and Infrastructure Work Preparation

National ID: RII20115 | State ID: AZF9

## About this course

### Prepare for work in the resources and infrastructure industries.

This course is a pathway qualification designed to prepare participants to successfully undertake a Certificate III from the resources and infrastructure industries training package. Participants will gain knowledge in routine tasks and procedures, practical skills and fundamental operational knowledge.

### Participants will learn how to:

- Identify and assess environmental and heritage concerns
- Conduct local risk control
- Follow work health and safety procedures
- Provide first aid
- Use hand and power tools
- Handle resources and infrastructure materials
- Communicate effectively within the workplace

This course is available at other campus locations upon request.
