

RII20115 Certificate II in Resources and Infrastructure Work Preparation

National ID: RII20115 | State ID: AZF9

About this course

Prepare for work in the resources and infrastructure industries.

This course is a pathway qualification designed to prepare participants to successfully undertake a Certificate III from the resources and infrastructure industries training package. Participants will gain knowledge in routine tasks and procedures, practical skills and fundamental operational knowledge.

Participants will learn how to:

- Identify and assess environmental and heritage concerns
- Conduct local risk control
- Follow work health and safety procedures
- Provide first aid
- Use hand and power tools
- Handle resources and infrastructure materials
- Communicate effectively within the workplace

This course is available at other campus locations upon request.

- Civil construction general hand
- Construction labourer

Fees and charges

North Regional TAFE's **indicative fees for 2019** are available [here](#). These fees are indicative for local students enrolling full-time in Government-funded courses. Fees are calculated based on individual circumstances at the time of enrolment. Concessions for eligible certificate I - IV level courses, annual fee caps and other charges may apply.

For more information, please click [here](#).

VET Student Loans

VET Student Loans is an income contingent loan support available to eligible students studying a diploma level or above qualification. For more information, please click [here](#).

International student fees

Fees, charges, available locations, applications, and enrolment procedures for international students are different to those applicable to local students. Please visit the [TAFE International WA website](#) to confirm available courses and fees. Tuition fees are paid through TIWA.

Please note, fees are subject to change.
