

RII30815 Certificate III in Civil Construction Plant Operations

National ID: RII30815 | State ID: AZG2

About this course

Build a big future in the civil construction and mining industry.

The Certificate III in Civil Construction Plant Operations provides participants with the skills to work as an operator within the civil construction industry.

Participants will learn how to:

- Carry out measurements and calculations
- Read and interpret plans
- Undertake manual excavation
- Support plant operations
- Handle resources and infrastructure materials safely
- Operate small equipment
- Use hand and power tools

This course is available at other campus locations upon request.

LOWER FEES
LOCAL SKILLS

This qualification is part of the [Lower fees, local skills](#) initiative, allowing students to pay just half of the standard course fees for training in 2020-21. This course is offered at the below campuses, subject to minimum numbers being met. Other locations may be available by arrangement.
