

CUA30915 Certificate III in Music Industry

National ID: CUA30915 | State ID: AZK9

About this course

The music industry has a rich history in the North West providing a tool for expression, social and emotional well-being, and cultural identity.

The Certificate III in Music Industry provides students with an opportunity to enhance their musical performance and production abilities. This course is suitable for participants who have mastered basic instrumental skills and are interested in building their career in the music industry.

Throughout this course, students will:

- Develop their skills as a musician
- Build their performance craft
- Develop music industry skills
- Build sound engineering skills in live and studio settings
- Write original songs
- Make a music demo

Participants will also build their ensemble skills, working with fellow students to rehearse and perform music. Upon completion of this course, students will have a demo recording of their original work and basic marketing material to kick-start their career.

This course is available at other campus locations upon request.
