

# CUA40915 Certificate IV in Music Industry

National ID: CUA40915 | State ID: AZN6

## About this course

**The music industry has a rich history in the North West providing a tool for expression, social and emotional well-being, and cultural identity.**

The Certificate IV in Music Industry assists students to further develop their skills and knowledge in music performance and composition. This course is suitable for participants who already possess instrumental and/or vocal skills and are interested in building their career in the music industry.

Throughout this course, participants will build industry knowledge, develop a career plan and arrange marketing and public relations material to assist in building a positive reputation in the industry.

## Throughout this course, students will:

- Further develop their skills as a musician
- Build upon their performance craft
- Build ensemble skills
- Enhance their music industry skills, including developing marketing material
- Develop and improve their sound engineering skills in live and studio settings
- Build upon their songwriting craft
- Record their work

- Plan a career in the music industry

This course is available at other campus locations upon request.
