

TAE40116 Certificate IV in Training and Assessment

National ID: TAE40116 | State ID: BAB2

About this course

Do you have what it takes to train the next generation of professionals in your industry of expertise?

The Certificate IV in Training and Assessment provides participants with the opportunity to work as a lecturer, trainer or mentor in their area of specialty. This qualification provides participants with the skills and knowledge required to facilitate learning and maintain and enhance professional practice through competency-based assessment in a range of settings.

Participants will learn how to design and develop learning programs and resources to support delivery. Participants will also learn how to plan and organise assessment, design and develop assessment tools and assess competency in a vocational, training and education environment.

This qualification is broken up into three workshops, and all three must be completed to receive the full qualification:

Units covered:

TAEASS401 Plan assessment activities and processes

TAEASS402 Assess competence

TAEASS403 Participate in assessment validation

TAEASS502 Design and develop assessment tools

Our blocks of delivery cover three areas:

- Designing learning programs to deliver qualifications and/or units of competency
- Delivering training to groups and individuals, supporting facilitation of learning, transfer of knowledge and

learning needs

- Assessment processes and tool design, validation of assessment tools, and conducting assessment.

Our delivery model supports participants to achieve the qualification while managing work and home commitments. Once qualified, participants will be able to confidently design, contextualise and facilitate training to suit organisational needs, while meeting industry and quality standards.

The TAE40116 is the current version and replaces the previous qualification coded TAE40110. We offer gap training if you already hold the TAE40110 but need to complete two additional units to meet 2015 Quality Standards for RTOs. Alternatively to update your qualification from TAE40110 to TAE40116 we offer Recognition of Prior Learning (RPL) and/or training to achieve the four additional units.

Please note: Participants are required to have vocational competency in an industry area prior to enrolling in this course.

This course is available at other campus locations upon request.
