

AUR20716 Certificate II in Automotive Vocational Preparation

National ID: AUR20716 | State ID: BAFO

About this course

Accelerate your career in the automotive industry!

Are you considering a career in the automotive industry, but don't know where to start? This qualification provides the perfect introduction!

Participants will learn how to identify and inspect mechanical and electrical components and systems of automotive vehicles and equipment, as well as perform minor maintenance and repair to an automotive vehicle body. This qualification prepares participants to work as a vehicle service assistant or progress into an automotive mechanical apprenticeship.

This course is available at other campus locations upon request.

Overview

Available all year, 2019

Fees and charges

North Regional TAFE's **indicative fees for 2019** are available [here](#). These fees are indicative for local students enrolling full-time in Government-funded courses. Fees are calculated based on individual circumstances at the time of enrolment. Concessions for eligible certificate I - IV level courses, annual fee caps and other charges may apply.

For more information, please click [here](#).

VET Student Loans

VET Student Loans is an income contingent loan support available to eligible students studying a diploma level or above qualification. For more information, please click [here](#).

International student fees

Fees, charges, available locations, applications, and enrolment procedures for international students are different to those applicable to local students. Please visit the [TAFE International WA website](#) to confirm available courses and fees. Tuition fees are paid through TIWA.

Please note, fees are subject to change.
