

AUR21916 Certificate II in Automotive Tyre Servicing Technology

National ID: AUR21916 | State ID: BAF6

About this course

Accelerate your career in the automotive industry!

Gain the skills and knowledge to perform a range of tasks related to the servicing of tyres including motorcycles, light vehicles, heavy vehicles, agricultural vehicles, earth moving and off-the-road vehicles in an automotive service and repair business.

This qualification prepares new employees and recognises and develops existing workers who service a range of vehicle tyres in an automotive service or repair business.

This course is available at other campus locations upon request.

Fees and charges

North Regional TAFE's **indicative fees for 2019** are available [here](#). These fees are indicative for local students enrolling full-time in Government-funded courses. Fees are calculated based on individual circumstances at the time of enrolment. Concessions for eligible certificate I - IV level courses, annual fee caps and other charges may apply.

For more information, please click [here](#).

VET Student Loans

VET Student Loans is an income contingent loan support available to eligible students studying a diploma level or above qualification. For more information, please click [here](#).

International student fees

Fees, charges, available locations, applications, and enrolment procedures for international students are different to those applicable to local students. Please visit the [TAFE International WA website](#) to confirm available courses and fees. Tuition fees are paid through TIWA.

Please note, fees are subject to change.
