

AUR21916 Certificate II in Automotive Tyre Servicing Technology

National ID: AUR21916 | State ID: BAF6

About this course

Accelerate your career in the automotive industry!

Gain the skills and knowledge to perform a range of tasks related to the servicing of tyres including motorcycles, light vehicles, heavy vehicles, agricultural vehicles, earth moving and off-the-road vehicles in an automotive service and repair business.

This qualification prepares new employees and recognises and develops existing workers who service a range of vehicle tyres in an automotive service or repair business.

This course is available at other campus locations upon request.

Overview

Available all year, 2019
