

# AHC30116 Certificate III in Agriculture

National ID: AHC30116 | State ID: BCW6

## About this course

**A career in agriculture is not only a job but a unique way of life, often away from bustling cities and towns.**

The Certificate III in Agriculture enables individuals to select a livestock production, cropping or livestock context as a job focus or, in the case of mixed farming enterprises, both cropping and livestock.

Industry expects individuals with this qualification to perform tasks involving a broad range of skilled applications applied in a wide variety of contexts, which may involve application of some discretion and judgement in selecting equipment, services or contingency measures.

This course is available at other campus locations upon request.
