

AHC40916 Certificate IV in Conservation and Land Management

National ID: AHC40916 | State ID: BCZ9

About this course

Experience some of nature's greatest gifts and learn how best to preserve them.

This qualification assists participants to build on their existing skills within the conservation and land management industry, preparing them for employment in supervisory/management roles. Participants will gain practical skills in planning, implementing, costing and budgeting for conservation and land management projects. Participants will also gain skills in occupational health and safety, biodiversity practices, and gain knowledge on the natural environment.

Throughout this course, students will complete written assignments and work in teams to undertake a range of programs on country.

This course is delivered on country to ranger groups in the North West.

Overview

Available all year, 2019

Fees and charges

North Regional TAFE's **indicative fees for 2019** are available [here](#). These fees are indicative for local students enrolling full-time in Government-funded courses. Fees are calculated based on individual circumstances at the time of enrolment. Concessions for eligible certificate I - IV level courses, annual fee caps and other charges may apply.

For more information, please click [here](#).

VET Student Loans

VET Student Loans is an income contingent loan support available to eligible students studying a diploma level or above qualification. For more information, please click [here](#).

International student fees

Fees, charges, available locations, applications, and enrolment procedures for international students are different to those applicable to local students. Please visit the [TAFE International WA website](#) to confirm available courses and fees. Tuition fees are paid through TIWA.

Please note, fees are subject to change.
