

AHC20416 Certificate II in Horticulture

National ID: AHC20416 | State ID: BDE6

About this course

Plant the seed for a successful career.

The Certificate II in Horticulture is an entry-level qualification, allowing participants to gain an insight into the horticulture industry.

Participants will develop basic skills and knowledge in caring for nursery plants and food gardens, treating weeds and using horticulture equipment.

This course leads into employment opportunities as a parks assistant, gardener, nursery worker or can be used as a pathway into higher level horticulture qualifications.

This course is available at other campus locations upon request.

LOWER FEES
LOCAL SKILLS

This course is part of the [Lower fees, local skills](#) initiative, allowing you to pay just half of the standard course fees for training in 2020-21. This course is offered at the below campuses, subject to minimum numbers being met. Other locations may be available by arrangement.

The following people will be eligible for the \$400 annual course fees cap under *Lower fees, local skills*.

- All students aged 15—24 years
