

# AHC21016 Certificate II in Conservation and Land Management

National ID: AHC21016 | State ID: BDF0

## About this course

**Experience some of nature's greatest gifts and learn how best to preserve them.**

The Certificate II in Conservation and Land Management provides participants with the fundamental skills vital to succeed in the conservation and land management industry. Participants will gain practical skills in occupational health and safety, fire management, machinery operation and maintenance, fencing and biodiversity practices.

Throughout this course, students will complete written assignments and work in teams to undertake programs that assist in maintaining the natural environment.

**This course is delivered on country to ranger groups in the North West.**

## Fees and charges

North Regional TAFE's **indicative fees for 2019** are available [here](#). These fees are indicative for local students enrolling full-time in Government-funded courses. Fees are calculated based on individual circumstances at the time of enrolment. Concessions for eligible certificate I - IV level courses, annual fee caps and other charges may apply.

For more information, please click [here](#).

### VET Student Loans

VET Student Loans is an income contingent loan support available to eligible students studying a diploma level or above qualification. For more information, please click [here](#).

### International student fees

Fees, charges, available locations, applications, and enrolment procedures for international students are different to those applicable to local students. Please visit the [TAFE International WA website](#) to confirm available courses and fees. Tuition fees are paid through TIWA.

**Please note, fees are subject to change.**
