

# AHC21016 Certificate II in Conservation and Land Management

National ID: AHC21016 | State ID: BDF0

## About this course

**Experience some of nature's greatest gifts and learn how best to preserve them.**

The Certificate II in Conservation and Land Management provides participants with the fundamental skills vital to succeed in the conservation and land management industry. Participants will gain practical skills in occupational health and safety, fire management, machinery operation and maintenance, fencing and biodiversity practices.

Throughout this course, students will complete written assignments and work in teams to undertake programs that assist in maintaining the natural environment.

**This course is delivered on country to ranger groups in the North West.**
