

AHC21016 Certificate II in Conservation and Land Management

National ID: AHC21016 | State ID: BDF0

About this course

Experience some of nature's greatest gifts and learn how best to preserve them.

The Certificate II in Conservation and Land Management provides participants with the fundamental skills vital to succeed in the conservation and land management industry. Participants will gain practical skills in occupational health and safety, fire management, machinery operation and maintenance, fencing and biodiversity practices.

Throughout this course, students will complete written assignments and work in teams to undertake programs that assist in maintaining the natural environment.

This course is delivered on country to ranger groups in the North West.

**LOWER FEES
LOCAL SKILLS**

This course is part of the [Lower fees, local skills](#) initiative, allowing you to pay just half of the standard course fees for training in 2020-21. This course is offered at the below campuses, subject to minimum numbers being met. Other locations may be available by arrangement.

The following people will be eligible for the \$400 annual course fees cap under *Lower fees, local skills*.

- All students aged 15—24 years
- Persons and dependents of persons holding:
 - a pensioner concession card;
 - a repatriation health benefits card issued by the Department of Veterans' Affairs; or
 - a Health Care Card
- Persons and dependents of persons in receipt of the Youth Allowance, AUSTUDY or ABSTUDY
- Persons and dependents of persons who are inmates of a custodial institution
- Secondary school-aged persons, not enrolled at school

Please note that only course fees are half price for the *Lower fees, local skills* qualifications. You may be required to pay other fees that apply to your course. For more details about how the half price course fees and annual fees cap work, please read our FAQs or contact us.

Overview

Available all year, 2020
