

AHC30716 Certificate III in Horticulture

National ID: AHC30716 | State ID: BDF1

About this course

Plant the seed for a successful career.

Set yourself on a path towards a flourishing career in the horticulture industry with a Certificate III in Horticulture.

Participants will learn how to:

- Propagate and maintain nursery plants
- Install irrigation and food gardens
- Treat weeds, pests and diseases safely
- Use a range of horticultural equipment

This course is available at other campus locations upon request.

LOWER FEES
LOCAL SKILLS

This qualification is part of the [Lower fees, local skills](#) initiative, allowing students to pay just half of the standard course fees for training in 2020-21. This course is offered at the below campuses, subject to minimum numbers being met. Other locations may be available by arrangement.

This course is part of the [Lower fees, local skills](#) initiative, allowing you to pay just half of the standard course fees for training in 2020-21. This course is offered at the below campuses, subject to minimum numbers being met. Other locations may be available by arrangement.

The following people will be eligible for the \$400 annual course fees cap under *Lower fees, local skills*.

- All students aged 15—24 years
- Persons and dependents of persons holding:
 - a pensioner concession card;
 - a repatriation health benefits card issued by the Department of Veterans' Affairs; or
 - a Health Care Card
- Persons and dependents of persons in receipt of the Youth Allowance, AUSTUDY or ABSTUDY
- Persons and dependents of persons who are inmates of a custodial institution
- Secondary school-aged persons, not enrolled at school

Please note that only course fees are half price for the *Lower fees, local skills* qualifications. You may be required to pay other fees that apply to your course. For more details about how the half price course fees and annual fees cap work, please read our FAQs or contact us.
