

BSB51918 Diploma of Leadership and Management

National ID: BSB51918 | State ID: BEA0

About this course

Are you a natural leader?

The Diploma of Leadership and Management provides participants with the practical skills and knowledge required to manage operational areas of an organisation, as well as review management practices, within their respective industry.

The course is focussed around emotional intelligence, leading and managing workplace relationships, workplace effectiveness, and managing an operational plan. Participants will have the opportunity to select from a range of elective units to best suit their organisation's needs. The units focus on customer service, financial management, information management, project management, risk management and human resource management.

Upon successful completion, participants will be able to use initiative and judgement in planning, organising, implementing and monitoring their own workload and the workload of others.

This course is available at other campus locations upon request.
