

CPC30211 Certificate III in Carpentry

National ID: CPC30211 | State ID: D391

About this course

Build your future with a carpentry apprenticeship.

The Certificate III in Carpentry must be completed as part of an apprenticeship, and upon successful completion, allows participants to work as a qualified carpenter. Apprentices will learn through a combination of on-the-job training and block training at North Regional TAFE.

Throughout this course, participants will acquire skills that enable them to carry out a range of tasks required in the building and construction industry.

Participants will learn how to:

- Use carpentry tools and equipment
- Read and interpret plans
- Carry out measurements
- Carry out general demolition of minor structures
- Install flooring systems
- Construct wall and ceiling frames
- Erect roof trusses and construct pitched roofs and eaves
- Carry out simple concreting
- Follow OH&S procedures and requirements
- Work safely at heights
