

Chainsaw Skill Set - Kimberley

State ID: IAA02

About this course

Your health and safety is important to us.

Spaces are limited in face-to-face classes to adhere to social distancing guidelines. Additional hygiene protocols will be implemented and other controls may apply. Students must follow the directions of the lecturer to ensure the health and safety of all students and teaching staff.

Do you know how to operate and maintain your chainsaw in a safe manner?

The appropriate and safe use of a chainsaw is a specialist skill that requires expert training. Get the job done quickly and safely with this two-day short course!

Participants will learn how to:

- Safely operate and maintain a handheld chainsaw
- Fell small trees where hazards are of low risk
- Recognise and report hazards
- Participate in arrangements for maintaining work health and safety
