

IAA04 White Card Skill Set

National ID: IAA04 | State ID: IAA04

About this course

All workers on construction sites in Australia must hold a White Card.

The White Card Skill Set covers the mandatory work health and safety training required prior to undertaking work on a construction site.

The following topics are covered in this course:

- Health and safety legislative requirements
- Identifying construction hazards and risk control measures
- Health and safety communication and reporting processes
- Incident and emergency response procedures

Improve your job prospects by completing your White Card today!

Overview

Semester 2, 2019

Broome Campus - 5 November, 2019

Duration: **1 Day**

When: **Semester 2, 2019**

How: **Face-to-face classroom delivery**

Fees and charges

North Regional TAFE's **indicative fees for 2019** are available [here](#). These fees are indicative for local students enrolling full-time in Government-funded courses. Fees are calculated based on individual circumstances at the time of enrolment. Concessions for eligible certificate I - IV level courses, annual fee caps and other charges may apply.

For more information, please click [here](#).

VET Student Loans

VET Student Loans is an income contingent loan support available to eligible students studying a diploma level or above qualification. For more information, please click [here](#).

International student fees

Fees, charges, available locations, applications, and enrolment procedures for international students are different to those applicable to local students. Please visit the [TAFE International WA website](#) to confirm available courses and fees. Tuition fees are paid through TIWA.

Please note, fees are subject to change.
