

IAA04 White Card Skill Set

National ID: IAA04 | State ID: IAA04

About this course

All workers on construction sites in Australia must hold a White Card.

The White Card Skill Set covers the mandatory work health and safety training required prior to undertaking work on a construction site.

The following topics are covered in this course:

- Health and safety legislative requirements
- Identifying construction hazards and risk control measures
- Health and safety communication and reporting processes
- Incident and emergency response procedures

Improve your job prospects by completing your White Card today!
