

First Aid - Childcare Skill Set

State ID: IAA16

About this course

Learn how to provide emergency first aid in an education and care setting.

This course is suitable for educators and support staff working who are required to respond to first aid situations, including asthmatic and anaphylactic emergencies.

Participants will learn how to:

- Respond to an emergency situation
- Apply appropriate emergency first aid procedures
- Communicate details of the incident
- Evaluate the incident and their own performance

Please note: This course consists of practical assessments that are completed while working on the floor, therefore we suggest wearing comfortable and appropriate clothing.

This course is part of the [Lower fees, local skills](#) initiative, allowing you to pay just half of the standard course fees for training in 2020-21.

The following people will be eligible for the \$400 annual course fees cap under *Lower fees, local skills*.

- All persons aged 15—24 years, not enrolled at school
- Persons and dependents of persons holding:

- a pensioner concession card;
- a repatriation health benefits card issued by the Department of Veterans' Affairs; or
- a Health Care Card
- Persons and dependents of persons in receipt of the Youth Allowance, AUSTUDY or ABSTUDY
- Persons and dependents of persons who are inmates of a custodial institution

Please note that only course fees are half price for the *Lower fees, local skills* qualifications. You may be required to pay other fees that apply to your course. For more details about how the half price course fees and annual fees cap work, please read our FAQs or contact us.

This is a targeted skill set related to the [Skills Ready](#) program, which is aimed at rebuilding our local businesses and communities with free and reduced-price training.
