

# IAA27 Elevated Work Platform Skill Set

National ID: IAA27 | State ID: IAA27

## About this course

*Your health and safety is important to us.*

*Spaces are limited in face-to-face classes to adhere to social distancing guidelines. Additional hygiene protocols will be implemented and other controls may apply. Students must follow the directions of the lecturer to ensure the health and safety of all students and teaching staff.*

Gain the skills and knowledge required to safely operate a boom-type Elevating Work Platform (EWP), where the length of the boom is 11 metres or more.

Participants will be guided through the process, from identifying the work order, to safely preparing for the task to be carried out, performing the duties, and finally packing up, ensuring all post-operational checks are completed.

This nationally-recognised course is accredited by WorkSafe WA. On completion, participants will receive a statement of attainment and a WorkSafe WA permit.
