

IAA56 MIG Welding Skill Set

National ID: IAA56 | State ID: IAA56

About this course

This course is suitable for those who want to learn how to weld using the Gas Metal Arc Welding (GMAW) process to industry standards.

Upon completion of this course participants will have developed the knowledge and skills required to safely carry out welding on metal sections using the GMAW process.

Please note: Students are required to wear steel capped boots and long sleeved cotton shirt and trousers.

Join us from 6.00pm - 9.00pm across four evenings.
