

# IAA86 Principles of Logistics Skill Set

National ID: IAA86 | State ID: IAA86

## About this course

**Get a solid grasp on the basics of logistics and warehousing operations.**

The Principles of Logistics Skill Set has been designed to provide participants with the fundamental standards of logistics and warehousing operations, in compliance with heavy vehicle transport legislation.

This is the second of five intensive face to face sessions that contribute to the nationally recognised qualification, [Certificate II in Warehousing Operations](#).

### This course covers:

- Workplace procedures for picking, packing and processing orders
- Documentation and workplace records
- Inspection of goods upon arrival
- Unloading and storing stock
- The chain of responsibility requirements in the heavy vehicle national law regulations
- Load restraint

## Fees and charges

North Regional TAFE's **indicative fees for 2019** are available [here](#). These fees are indicative for local students enrolling full-time in Government-funded courses. Fees are calculated based on individual circumstances at the time of enrolment. Concessions for eligible certificate I - IV level courses, annual fee caps and other charges may apply.

For more information, please click [here](#).

### VET Student Loans

VET Student Loans is an income contingent loan support available to eligible students studying a diploma level or above qualification. For more information, please click [here](#).

### International student fees

Fees, charges, available locations, applications, and enrolment procedures for international students are different to those applicable to local students. Please visit the [TAFE International WA website](#) to confirm available courses and fees. Tuition fees are paid through TIWA.

**Please note, fees are subject to change.**
