

IAA93 Front End Loader Skill Set

National ID: IAA93 | State ID: IAA93

About this course

Learn how to operate a front end loader safely and efficiently.

Throughout this course, participants will be guided through:

- Planning and preparation
- Pre-start checks
- Front end loader operations, including attaching, securing, lifting, carrying and placing materials
- Machine relocation
- Machine operator maintenance
- Shutdown procedure

Upon successful completion, participants will be able to operate a wheeled front end loader within the civil construction and resources industries.

Overview

Semester 2, 2019

Kununurra Campus - 21 - 24 October, 2019

When: **Semester 2, 2019**

How: **Face-to-face classroom delivery**

Fees and charges

North Regional TAFE's **indicative fees for 2019** are available [here](#). These fees are indicative for local students enrolling full-time in Government-funded courses. Fees are calculated based on individual circumstances at the time of enrolment. Concessions for eligible certificate I - IV level courses, annual fee caps and other charges may apply.

For more information, please click [here](#).

VET Student Loans

VET Student Loans is an income contingent loan support available to eligible students studying a diploma level or above qualification. For more information, please click [here](#).

International student fees

Fees, charges, available locations, applications, and enrolment procedures for international students are different to those applicable to local students. Please visit the [TAFE International WA website](#) to confirm available courses and fees. Tuition fees are paid through TIWA.

Please note, fees are subject to change.
