

IAA93 Front End Loader Skill Set

National ID: IAA93 | State ID: IAA93

About this course

Learn how to operate a front end loader safely and efficiently.

Throughout this course, participants will be guided through:

- Planning and preparation
- Pre-start checks
- Front end loader operations, including attaching, securing, lifting, carrying and placing materials
- Machine relocation
- Machine operator maintenance
- Shutdown procedure

Upon successful completion, participants will be able to operate a wheeled front end loader within the civil construction and resources industries.

Core

National ID	Unit Title
RIIMPO321F	Conduct civil construction wheeled front end loader operations

Fees and charges

North Regional TAFE's **indicative fees for 2019** are available [here](#). These fees are indicative for local students enrolling full-time in Government-funded courses. Fees are calculated based on individual circumstances at the time of enrolment. Concessions for eligible certificate I - IV level courses, annual fee caps and other charges may apply.

For more information, please click [here](#).

VET Student Loans

VET Student Loans is an income contingent loan support available to eligible students studying a diploma level or above qualification. For more information, please click [here](#).

International student fees

Fees, charges, available locations, applications, and enrolment procedures for international students are different to those applicable to local students. Please visit the [TAFE International WA website](#) to confirm available courses and fees. Tuition fees are paid through TIWA.

Please note, fees are subject to change.
