

IAA93 Front End Loader Skill Set

National ID: IAA93 | State ID: IAA93

About this course

Learn how to operate a front end loader safely and efficiently.

Throughout this course, participants will be guided through:

- Planning and preparation
- Pre-start checks
- Front end loader operations, including attaching, securing, lifting, carrying and placing materials
- Machine relocation
- Machine operator maintenance
- Shutdown procedure

Upon successful completion, participants will be able to operate a wheeled front end loader within the civil construction and resources industries.
