

Tag and Test Electrical Appliances Skill Set

State ID: IAB16

About this course

Your health and safety is important to us.

Spaces are limited in face-to-face classes to adhere to social distancing guidelines. Additional hygiene protocols will be implemented and other controls may apply. Students must follow the directions of the lecturer to ensure the health and safety of all students and teaching staff.

The testing and tagging of electrical equipment must be performed by trained individuals.

Upon successful completion of this course, participants will be able to test and tag electrical equipment as per Australian Standards 3760 and 3012. Participants will be trained to confidently perform testing and tagging, while meeting compliance and ensuring the safety of staff on the worksite.

Personal Protective Equipment (PPE), including long trousers, a long sleeved shirt and covered footwear must be worn throughout the duration of the course.

LOWER FEES
LOCAL SKILLS

This course is part of the [Lower fees, local skills](#) initiative, allowing you to pay just half of the standard course fees for training in 2020-21.

The following people will be eligible for the \$400 annual course fees cap under *Lower fees, local skills*.

- All persons aged 15—24 years, not enrolled at school
- Persons and dependents of persons holding:
 - a pensioner concession card;
 - a repatriation health benefits card issued by the Department of Veterans' Affairs; or
 - a Health Care Card
- Persons and dependents of persons in receipt of the Youth Allowance, AUSTUDY or ABSTUDY
- Persons and dependents of persons who are inmates of a custodial institution

Please note that only course fees are half price for the *Lower fees, local skills* qualifications. You may be required to pay other fees that apply to your course. For more details about how the half price course fees and annual fees cap work, please read our FAQs or contact us.

This is a targeted skill set related to the [Skills Ready](#) program, which is aimed at rebuilding our local businesses and communities with free and reduced-price training.
