National ID: IAB26 | State ID: IAB26

## About this course

### Need a stepping stone into further training or employment?

The Leader in Me Skill Set offers students a pre-enrolment pathway before continuing onto mainstream training, or any [Gaining Access to Training and Employment \(GATE\) course](#) available at North Regional TAFE.

This course focuses on self-development and leadership. Working with a targeted delivery group, this is a short, sharp course that gives participants an understanding and awareness of self, how we learn and behave and how our beliefs and attitudes can help or hinder us when it comes to achieving our goals.

This course is affordable and flexible, and covers leadership qualities for participants to identify, develop and practice in a safe environment. This course can be adapted for a range of audiences from young disengaged youth, to mature aged workers who simply need to identify their existing skills and build on their knowledge in order to feel confident in the workplace.
