

IAC81 Confined Space Gas Testing

National ID: IAC81 | State ID: IAC81

About this course

Learn how to gas test the working atmosphere using an electronic apparatus.

Upon successful completion of this course, participants will have the ability to undertake gas testing and to enter and work safely in confined spaces.

This course covers:

- Planning out confined spaces work
- Confined spaces entry permits
- Choosing and checking safety equipment
- Preparing and working safely in a confined space
- Exiting confined spaces

Overview

Fees and charges

North Regional TAFE's **indicative fees for 2019** are available [here](#). These fees are indicative for local students enrolling full-time in Government-funded courses. Fees are calculated based on individual circumstances at the time of enrolment. Concessions for eligible certificate I - IV level courses, annual fee caps and other charges may apply.

For more information, please click [here](#).
