About this course

The Marine Engine Driver (MED 2) Skill Set has been designed for experienced crew working towards their [Certificate III in Maritime Operations \(Marine Engine Driver Grade II\)](#).

Participants will learn how to:

- Service and maintain engines, auxiliary equipment and vessels to high standards and within regulations
- Manage a range of engineering components and systems
- Operate and maintain a range of electrical systems and equipment
- Undertake and record routine checks on engine room items

Overview

Semester 2, 2019

Broome Campus - 26 August - 6 September, 2019

When: **Semester 2, 2019**

How: **Face-to-face classroom delivery**

Fees and charges

North Regional TAFE's **indicative fees for 2019** are available [here](#). These fees are indicative for local students enrolling full-time in Government-funded courses. Fees are calculated based on individual circumstances at the time of enrolment. Concessions for eligible certificate I - IV level courses, annual fee caps and other charges may apply.

For more information, please click [here](#).

VET Student Loans

VET Student Loans is an income contingent loan support available to eligible students studying a diploma level or above qualification. For more information, please click [here](#).

International student fees

Fees, charges, available locations, applications, and enrolment procedures for international students are different to those applicable to local students. Please visit the [TAFE International WA website](#) to confirm available courses and fees. Tuition fees are paid through TIWA.

Please note, fees are subject to change.
