

IAD01 Marine Engine Driver (MED 2) Skill Set

National ID: IAD01 | State ID: IAD01

About this course

The Marine Engine Driver (MED 2) Skill Set has been designed for experienced crew working towards their MAR30818 [Certificate III in Maritime Operations \(Marine Engine Driver Grade II\)](#).

Participants will learn how to:

- Service and maintain engines, auxiliary equipment and vessels to high standards and within regulations
- Manage a range of engineering components and systems
- Operate and maintain a range of electrical systems and equipment
- Undertake and record routine checks on engine room items

Overview

Semester 1, 2020

9 - 20 March, 2020

When: **Semester 1, 2020**

How: **Face-to-face classroom delivery**

Units

This is a suggested study plan. North Regional TAFE offers a variety of alternative units, and packaging rules apply to these selections. Your unit options will be discussed with you prior to enrolment.

Core

National ID	Unit Title
BSBWOR203	Work effectively with others
BSBWOR203	Work effectively with others
MARB031	Maintain marine internal combustion engines, propulsion plant and auxiliary systems
MARB031	Maintain marine internal combustion engines, propulsion plant and auxiliary systems
MARB032	Undertake basic maintenance of electrical systems
MARB032	Undertake basic maintenance of electrical systems
MARC033	Complete engine room tasks
MARC033	Complete engine room tasks
MARC034	Maintain hull out of water
MARC034	Maintain hull out of water
MARC035	Operate and maintain extra low and low voltage electrical systems and equipment
MARC035	Operate and maintain extra low and low voltage electrical systems and equipment
MARC036	Operate deck machinery
MARC036	Operate deck machinery

National ID	Unit Title
MARC039	Operate marine internal combustion engines, and propulsion and auxiliary systems
MARC039	Operate marine internal combustion engines, and propulsion and auxiliary systems
MARC040	Manage fuel systems
MARC040	Manage fuel systems
MARC041	Operate and monitor marine internal combustion engines, propulsion plant and auxiliary systems
MARC041	Operate and monitor marine internal combustion engines, propulsion plant and auxiliary systems
MARC042	Operate electrical systems
MARC042	Operate electrical systems
MARJ006	Follow environmental work practices
MARJ006	Follow environmental work practices

Fees and charges

[Click here to view North Regional TAFE's 2020 indicative fees.](#) These fees are indicative for local students enrolling full-time in Government-funded courses. Fees are calculated based on individual circumstances at the time of enrolment. Concessions for eligible certificate I - IV level courses, annual fee caps and other charges may apply.

For more information, please click [here](#).

VET Student Loans

VET Student Loans is an income contingent loan support available to eligible students studying a diploma level or above qualification. For more information, please click [here](#).

Please note, fees are subject to change.
