

IAD03 Master 24 Ship Knowledge Skill Set

National ID: IAD03 | State ID: IAD03

About this course

The Master 24 Ship Knowledge Skill Set is a five-day course that is a prerequisite for the [Certificate III in Maritime Operations \(Master up to 24 Metres near Coastal\)](#) qualification. This skill set focuses on the necessary skills required to sufficiently maintain a vessel up to 24 metres in length.

Participants will learn how to:

- Plan and undertake basic deck maintenance
- Clean and prepare the vessel for maintenance
- Carry out maintenance of deck fittings, equipment and systems, underwater components and identify faulty components
- Supervise crew undertaking maintenance
- Safely slip a vessel
- Undertake pre-deployment checks and duties

Books required:

- SHIPSKNOWL Ship Knowledge (Master 5) : Student learning guide ABF533/SLG
- Australian Boating Manual

Overview

Fees and charges

North Regional TAFE's **indicative fees for 2019** are available [here](#). These fees are indicative for local students enrolling full-time in Government-funded courses. Fees are calculated based on individual circumstances at the time of enrolment. Concessions for eligible certificate I - IV level courses, annual fee caps and other charges may apply.

For more information, please click [here](#).

VET Student Loans

VET Student Loans is an income contingent loan support available to eligible students studying a diploma level or above qualification. For more information, please click [here](#).

International student fees

Fees, charges, available locations, applications, and enrolment procedures for international students are different to those applicable to local students. Please visit the [TAFE International WA website](#) to confirm available courses and fees. Tuition fees are paid through TIWA.

Please note, fees are subject to change.
