

IAD04 Master 24 Navigation Watchkeeping Skill Set

National ID: IAD04 | State ID: IAD04

About this course

The Master 24 Navigation Watch Keeping Skill Set is an intensive five-day course and is mandatory for the [Certificate III in Maritime Operations \(Master up to 24 Metres near Coastal\)](#) qualification.

Participants will learn how to:

- Maintain a bridge watch whilst anchored and at sea
- Respond to emergency situations
- Manage crew on watch
- Plan, navigate and execute a passage in a range of weather and tides
- Set up and use a wide range of wheelhouse equipment including radar, ECS, ECDIS, AIS, DGPS and GPS, sounders, and more
- Maintain navigational records

Participants will work on a detailed scenario for a simulated vessel 'Master Class' and run the vessel through a scenario on our worldclass full mission, full bridge [maritime simulator](#). This simulation is state of the art and we are confident that you will not find any better training for this skill set anywhere in Australia.

Overview

Fees and charges

North Regional TAFE's **indicative fees for 2019** are available [here](#). These fees are indicative for local students enrolling full-time in Government-funded courses. Fees are calculated based on individual circumstances at the time of enrolment. Concessions for eligible certificate I - IV level courses, annual fee caps and other charges may apply.

For more information, please click [here](#).

VET Student Loans

VET Student Loans is an income contingent loan support available to eligible students studying a diploma level or above qualification. For more information, please click [here](#).

International student fees

Fees, charges, available locations, applications, and enrolment procedures for international students are different to those applicable to local students. Please visit the [TAFE International WA website](#) to confirm available courses and fees. Tuition fees are paid through TIWA.

Please note, fees are subject to change.
