

IAD19 Plant Propagation and Care Skill Set

National ID: IAD19 | State ID: IAD19

About this course

Learn how to grow and care for your nursery plants!

The Plant Propagation and Care Skill Set provides participants with the skills to maintain, care for and grow containerised nursery plants.

Activities are taught in line with workplace procedures.

Join us on Thursday evenings from 6 - 8pm!

Please note: There will be a two-week break throughout the course, with no classes on 26 September and 3 October.

Core

National ID	Unit Title
AHCNSY202	Care for nursery plants
AHCNSY203	Undertake propagation activities

Fees and charges

North Regional TAFE's **indicative fees for 2019** are available [here](#). These fees are indicative for local students enrolling full-time in Government-funded courses. Fees are calculated based on individual circumstances at the time of enrolment. Concessions for eligible certificate I - IV level courses, annual fee caps and other charges may apply.

For more information, please click [here](#).

VET Student Loans

VET Student Loans is an income contingent loan support available to eligible students studying a diploma level or above qualification. For more information, please click [here](#).

International student fees

Fees, charges, available locations, applications, and enrolment procedures for international students are different to those applicable to local students. Please visit the [TAFE International WA website](#) to confirm available courses and fees. Tuition fees are paid through TIWA.

Please note, fees are subject to change.
