About this course

XERO is cloud-based accounting software that is becoming increasingly popular, with many easy-to-use features.

This workshop provides a short, six hour introduction to XERO software, with the opportunity to study further.

Use XERO to enter a range of transactions, including:

- Invoices
- Adjustment notes
- Payments
- Receipts
- Bank entries
- Bank statement
- Financial reports

The textbook, Conduct Business Activities Using A Computerised Accounting System is required.

Choose to complete assessments after the workshop and/or receive a letter documenting your participation.
