

IAD48 Introduction to Engineering Skill Set

National ID: IAD48 | State ID: IAD48

About this course

Learn how to weld to industry standard with a series of night classes!

You will gain the skills and knowledge required to operate fabrication equipment such as guillotines and basic MIG welding.

Throughout this course you will learn how to use hand and power tools safely with the added bonus of completing a take-home project and making a fire pit.

Join us from 4.00pm - 8.00pm

*start time may be flexible if work commitments prevail; please get in touch for further information
