

Logistics - Dangerous Goods Awareness Skill Set

State ID: IAD52

About this course

Your health and safety is important to us.

Spaces are limited in face-to-face classes to adhere to social distancing guidelines. Additional hygiene protocols will be implemented and other controls may apply. Students must follow the directions of the lecturer to ensure the health and safety of all students and teaching staff.

This is a great introductory course suitable for companies and individuals seeking to learn what is required when dealing with dangerous goods and hazardous substances in the workplace.

This course covers:

- the transport, handling and storage of dangerous goods
