

# Supply Chain - Forklift and Chain of Responsibility Skill Set

State ID: IAD96

## About this course

This course is targeted to all parties who have control or influence over transport tasks and for those who wish to gain the skills and knowledge to operate a forklift.

This skill set is a face-to-face session in a series that contribute to nationally recognized qualification TLI21616 Certificate II in Warehousing Operations.

On completion, participants will be able to:

- Recognise parties in the chain of responsibility
- Know their responsibilities
- Feel confident in interpreting appropriate legislation including The Load Restraint guide and Heavy Vehicle National Law
- Check a forklifts condition
- Operate a forklift to handle loads
- Monitor and maintain a forklift
